- Quat Bleach Iodine Other (please list) _____

What type of sanitizer will be used for food contact surfaces?

- Quat Bleach Iodine Other (please list) _____

VENTILATION/FIRE PROTECTION GUIDELINES
A TEMPORARY COOKING OPERATION, SUCH AS A MOBILE TRAILER OR A BOOTH AT A FAIR

- Concession stands utilized for cooking shall have a minimum of 10 feet of clearance on two sides and shall not be located within 10 feet of amusement rides or devices.
- A 40 B:C rated dry chemical fire extinguisher shall be provided where deep-fat fryers are used.
- When conducted inside a tent, canopy, or temporary membrane structure, cooking and heating equipment shall be vented to the outside. Where vents or flues are used, all portions of the temporary membrane structure, tent or canopy shall be no less than 12 inches from the flue of vent. Solid-fuel burning equipment shall be equipped with spark arrestors. Cooking and heating shall not be located within 10 feet of exits or combustible materials. Tents where cooking is performed shall be separated from temporary membrane structures, other tents and canopies by a minimum of 20 feet. Outdoor cooking that produces sparks or grease-laden vapors shall not be performed within 20 feet from a temporary membrane structure, tent or canopy. LP gas containers must be located outside tents. Flammable liquid fueled equipment is not permitted in temporary membrane structures, tents, or canopies.

SPECIAL NOTE:

Any food stand operating within Brown, Nicollet, Cottonwood and Watonwan Counties with a license issued by the Minnesota Department of Health does not need to obtain a license from our agency but will be charged a \$15.00 inspection fee if that food stand is inspected at an event in Brown, Nicollet, Cottonwood or Watonwan County.

This fee only applies to those food stands already licensed by the State Health Department.

Based on the information provided herein, I understand that a temporary food license is required for this event. I further understand that my application will be considered only for the food and beverages specified. Brown-Nicollet Environmental Health must be notified of any deviations or changes to the menu.
